

Call for Papers

The 5th International Conference on Information Capital, Property, & Ethics (ICPE2013)

6-7 December 2013, Tsurumi University, Yokohama, Japan

The 5th International Conference on Information Capital, Property, & Ethics (ICPE-2013) will be held at Tsurumi University, Yokohama, Japan . Scholars and professionals interested in intellectual property issues, information studies, and international politics are invited to submit a paper or poster and also to participate in the conference that brings together scholars and professionals from various countries .

Organizers:

School of Information, University of South Florida, Tampa, FL.
Department/Graduate Program of Information and Communications,
Shih Hsin University, Taipei
Department of Information Management, Peking University
School of Information Management, Sun Yat-sen University, Guangzhou
Dept. of Library, Archival and Information Studies, Tsurumi University

Local Organizing Committee:

Tomoko HARADA, Takashi NAGATSUKA, Hiroyuki TSUNODA, Kazushi OHYA, Fumito IKURA, Akihiro MOTOKI, Hideo KUBOKI.

Conference Date: December 6-7, 2013

Conference Venue: Dept. of Library, Archival and Information Studies,
Tsurumi University, Yokohama, Japan

Topics:

The conference will be held at Tsurumi University Hall and will bring together scholars and professionals interested in intellectual property issues, information studies and international politics. The theme of the conference is "Globalizing Intellectual Property: The Geopolitics and Ethics of Information Rights."

It is expected that high quality papers will emerge from this conference, and that it will lead to our increased understanding of the dynamics of information capital as represented by intellectual property, and how geopolitics affect information ethics. Areas of interest include, but are not restricted to those subjects. It is also expected that lasting and productive linkages will be developed among the participating scholars from various parts of the world.
